

A breadboard circuit is shown, featuring a red 7-segment display showing the digit '8', a yellow LED, and several push buttons. The circuit is populated with various electronic components including integrated circuits, resistors, and jumper wires. In the foreground, a business card for Marlin P. Jones & Assoc. Inc. is visible, displaying contact information and a 4-band color code chart. The card includes the following text: "MPJA Marlin P. Jones & Assoc. Inc.", "Order: 800-652-6733 Fax: 800-432-9937", "www.mpja.com", and a 4-Band Code chart with values 4, 7, 000, and 47k-Ohm ±5%. The chart also includes labels for "1st Digit", "2nd Digit", "3rd Digit", "Multiplier", and "Tolerance".
